

Annmarie's Dip for Fresh Fruit Kabobs

Hi everyone! I don't know about you, but I can't get enough of fresh fruit this time of year. It's so delicious. Sometimes I put them on kebobs (sticks) or just cut it up and eat it. I also make a special dip sometimes which is really good and very easy to make. I will share it with you and hope you enjoy it!

Ingredients:

1(32oz.) container of low fat vanilla yogurt
1(8oz.) container of cool whip lite
1(3.4oz) box dry instant vanilla pudding

Directions:

In a large bowl, mix together vanilla yogurt, cool whip and pudding mix until completely combined and you see no lumps.
Refrigerate for 30 min.

Enjoy!!!!
