

Butler Extended Day Program

Kindergarten Days April 27 and 28, 2017

Kindergarten registration and screening for next year will take place on Thursday, April 27 and Friday, April 28. There will be no kindergarten classes on those two days. BEDP is offering a school day program open to any kindergarten child who is registered for BEDP (either before or after school). The program will meet from 8:40 a.m. – 2:40 p.m. with drop off any time after 8:30. Children who attend either morning care or BEDP on those days may attend as usual. Children who attend the school day program but not BEDP on Thursday or Friday must be picked up by 2:40 p.m. or buy an extra BEDP day.

Thursday: We are travelling to “Jump on In” in Boston for an hour of jumping, followed by lunch in one of the party rooms. We will leave Butler at 10:30 a.m. for an 11:00 start time at Jump on In. We should be back at Butler by 1:00 p.m. Prior to leaving for Jump on In, we will have a period of play and/or a project in the school.

Friday: We will take a trip to the Acton Science Discovery Museum, including the new Discovery Tree House. We have a 90-minute visit scheduled, beginning at 11:00 a.m., followed by lunch and play on the grounds of the Discovery Museum. We plan to return to Butler between 1:30 and 2:00. Prior to leaving for the museum, we will have a period of play and/or a project in the school. The Little BEDP room will be in use for MCAS beginning at 9:00.

Transportation will be by school bus from Doherty’s Garage in Lincoln.

Lunch will be provided by you. We will be out of the building. Your child will not be able to buy hot lunch.

Snack for the morning will be provided by BEDP.

Cost: The cost per day is 50.00. This covers your child’s attendance for the school day as well as admission fees and the cost of the bus rental. You may pay in advance, or have Judy bill you. There is no financial aid available for these extra days.

Enrollment is open to all kindergarten children who attend BEDP - morning or afternoon - whether or not they normally attend one of those programs on Thursday or Friday. You may enroll by completing the enrollment form and bringing/sending it to the program or scanning and emailing it back.
